League Welfare Officer

To arrange a date to call in clubs for disciplinary purposes. Discussed a change in the rules for next season which could penalise clubs for poor behaviour, also discussed sending committee members to some games.

Referee Secretary

Quite a few tough games for refs this month. One is on a month off to review if he will carry on and one has requested not to referee for a particular club due to parents intimidating behaviour.

Fixtures

Lots of requests for information regarding the cup finals weekend – still waiting for final confirmation. Lots of Covid-related requests for postponements - these have all been dealt with in the same way. Discussed that there is no change to the rules, if teams have enough players, despite absences, then they should play the fixture. If they have insufficient players, then the result is awarded to the opposition

Over 12 games with issues, some are being dealt with by Sussex FA, others to be dealt with directly through the clubs.

Mini Soccer

Good feedback from parents – reporting that the games are much fairer. U10's last set of fixtures on 19th Feb, then to populate new leagues and fixtures to play in March, finishing the last league game on March 26th. Need to find somewhere to play the U9 and U10 cup finals on Saturday 2nd April. To speak to different venues.

Rules Secretary

The revised rules have been handed back to Bob for double-checking.

This new version of the rules will be our working rules for season 2022/23 and subject to approval at the next AGM.

Discussed at the meeting that the committee need to decide if/how we may change the rules and penalties for teams (ie deducting points) for anti-social behaviour during matches.

Request from a club to have a look at the fine tariff as they don't all match up.
